1 What are in the Box?

This box contains around 100 Chinese character cards, two card frames and one instruction manual.

Character cards

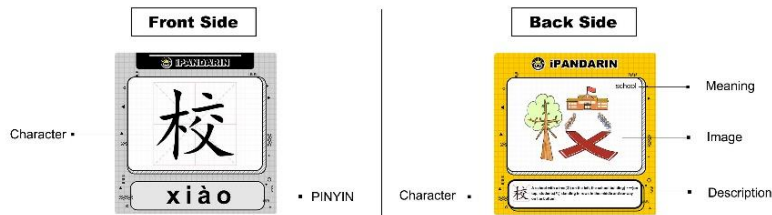

Two card frames

Instruction paper

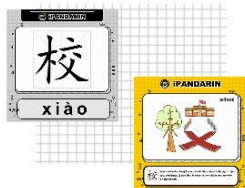

2 What are on each Card?

Each card has two sides, one with a Chinese Character and its PinYin, while the other side shows its English meaning, a nice image correlates to the character and a short description on how to remember this character with the image.

3 How to Use the Cards

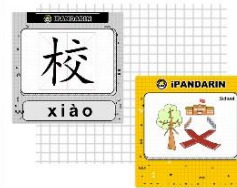

1 To teach/learn a new character and its writing. Use the front side to show the character and its Pinyin, then use the back side image to make a correlation with the character.

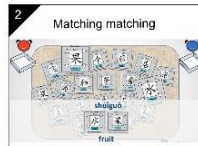

2 To test pronunciation of the character. Use the frame on the front side to cover the Pinyin.

3 To test the meaning of the character. Use the front side of the card, or use the frame to cover the back side.
